Apartment Guide

2020

We are pleased to be able to assist you in your search for residence in the Virginia Beach/Chesapeake area. In this apartment guide, you will find the apartments within a twenty-minute drive of VBTS that we are comfortable recommending to you. They are arranged from the most cost-effective to the most expensive. Each listing contains the address of the apartment complex, a sample of the monthly rent with the corresponding floor plan, and the website where you can find more information. Additionally, you will find a map with the simplest driving route along with the approximate time of the drive.

If you wish to search for other apartments in the area, we would recommend you start with www.apartments.com. VBTS is located in Virginia Beach; however, it is on the border of Chesapeake. You will find less expensive apartments in the Chesapeake area than you will find in Virginia Beach. If you don't mind the drive, another area to search would be Norfolk. Depending on the location, you may be able to find something within a thirty-minute drive of VBTS.

Please feel free to contact the office at 757-479-3706 or info@vbts.edu if you have any questions.
